**AGREEMENT INFO: Galena Barge Dock Construction**

This amendment closes out the award and de-obligates \$171,309 in FY 2007 FTA Sec 5309, and \$42,827 in State of Alaska General Funds.

These funds were supplemental to RA-500 based on construction estimated developed during early stages of the project. With the close out of RA-500, and the pending shut down of the subject project due to a lack of a practical and cost-effective project, the subject funding is no longer needed.
